## News Updates

### Sports Physicals 2019

MVHS will be hosting Sports Physicals this year in the Main Gym on June 11th from 5:30-7:00pm. You can make checks payable to MVHS for $20.

### Running Start Students

If you are new to Running Start next year, you need to schedule an appointment with your counselor to complete your registration for fall quarter. The last day to do this is June 12, but registration for new students opens in late May. Counselors may not be available during the first week in June due to senior events and graduation so please plan accordingly.

### College Bound Pledges

Attention Juniors: If you took the College Bound Pledge in middle school promising to graduate from high school with a 2.0 GPA or higher, complete the FAFSA or WASFA, have no felony convictions and qualify for the required household annual income, please come to the College and Career Center THIS WEEK to confirm your contact information.

### Summer School

Summer School-Classes for credit retrieval will be offered starting July 9th. Cost is $25. Students can make up one semester of high school in a CORE/required subject (not electives). Recovering a second course may be possible with counselor approval. Summer School Registrations forms can be found in the Counseling Office and are due by June 17th.

## Yearbooks

Yearbooks will be handed out to Seniors on Monday, June 3rd during both lunches. All other classes can pick up their yearbook on Tuesday and Wednesday during both lunches as well as from 2:30-3pm in CTE4.

Students with a balance due on their yearbooks must have them paid off before you can pick them up. If you owe more than $20 on your book by Thursday morning, June 6th, your order will be cancelled and sold to another student. A refund will be issued via check from MVSD in July for your deposit if it is sold to another student. If we are unable to sell your book, we will hold it until the balance is paid off and it will remain on your account as a fine.

All remaining books with a balance due will be sold on Monday June 10th. They will go on sale at the ASB office Thursday morning on a first come basis. There is no waiting list. The price for a yearbook that was not pre-ordered is $75.
