Three new things for the Cafeteria

- Student lunches are free.
- There will be no Ala Carte sales.
- Only one meal per student.

We have two honeybee hives on our main campus.

They are located on the third floor balcony and will be visible every day. There will be some honey just outside the window during the first few days of school so that you can get a good view behind glass. Mr. Engman will take any of you out to open a hive every Thursday after school. Please visit first to pick up a permission slip. Our honeybees do not cause any problems on campus, but you must let our school nurse know if you have a life-threatening allergy. If you have any questions, contact Mr. Engman in New Main 304

The MVHS College and Career Center is open for business.

All students are welcome to stop by and learn more about careers and college options. College Representatives will be visiting MVHS to speak with juniors and seniors about their college, the application process and more. Seniors can find assistance with post secondary plans, college applications, financial aid and scholarship information and more! All of this information is available on the MVHS College and Career Center. https://sites.google.com/mvhsd320.org/mvhscolleg_eandcareercenter/home

Important News:

Mount Vernon School District recently changed our food program with the government due to our high level of poverty / free and reduced eligible students.

The new program we operate under is called CEP or Community Eligibility Provision. This allows all enrolled students to eat at no charge and there is no more free and reduced applications.
